

Cancellation Policy

All Clients:

I ask for 48 hours' notice if you are unable to attend your planned psychology session, as this is my livelihood. This also enables me to operate an efficient service, as I can offer all available slots to other clients. If you cancel less than 48 hours before the session, or you do not attend, you will be charged in full.

Private Funders:

Payment for the missed session will need to be received prior to the next planned session taking place.

Insurance Covered:

I will charge session fee direct to the insurance provider for the missed session.
